Thanks Keith & Janice for working so hard to respond to Vince, Ravi, and Marty's comments. My understanding is that there wasn't time to fully address a few of Ravi's and Marty's comments, but as we were told to do the best we could in the time allotted, the attached is where we are. Keith & Janice – can you make a list of Ravi's and Marty's comments that still need to be address?

Vince – if you want to talk through the revisions we made, I'd be happy to do that, though I know you are busy much of next week. Alternatively, I can put together a bullet list of major issues that you can read through – though I won't get to that until probably Monday.

On Monday, Keith and Janice will send these to ICF for a final tech edit prior to Agency Review – there are some things that need to be formatted and/or fixed (including HERO links). My understanding from SCOUT is that we will send these to Agency Reviewers by Thursday July 27. Let me know if the plan changes.

Thanks again, and I'm happy to see these moving forward!

Regards,
Weihsueh
